CANDIDATES STILL LACKING FOR TWO POLITICAL BERTHS

Prosecutor and Auditor Posts Fail to Attract—Many File for Other Offices.

Contrasted to the number of candidates who are after the office of sheriff is the dearth of aspirants for the prosecuting attorney and auditor berths, two of the major offices in the county. For every other office of any importance a republican has filed, and in most instances a democrat, but thus far those after the position of prosecutor and auditor have not put in an appearance.

The office of auditor, now held by Clarence Sedgwick, is considered one of the more lucrative jobs available. It commands a salary of \$10,000 as well as compensation as clerk of the county commissioners, council and the like. Out of this, however, must be paid deputy hire.

Thus far no one has filed. Mr. Sedgwick is non-committal as to his candidacy and declines to discuss the matter. No one on the democratic ticket has filed his declaration as yet.

Jellison is Quiet.
The same situation has held true of the prosecutor's office. It is reported in unofficial circles that several young lawyers have been handling the position with a hungry eye but as yet have not had the courage or encouragement to consent to become candidates. Floyd O. Jellison, present prosecutor, has not as yet filed for this office, according to last reports from Indianapolis where the applications as candidates for this office are filed.

The last declarations of candidates include filings for a few township offices. They are as follows:
William M. Kuehl, republican, trustee, Clay township.
Edward G. Dajick, democrat, assessor, Warren township.

Frank M. Williams, republican, trustee, Olive township.
Charles E. Miller, 601 N. Hill st., republican, trustee, committee man of seventh precinct of fourth ward.

Other candidates filing for office late Wednesday afternoon were:
Anna B. Dean, 210 S. Race st., Mishawaka, republican, for trustee of Penn township.
Frank A. Buckley, Lakeville, republican, trustee Union township.

Howard S. Webster, Clay township republican, member advisory board western district.
John L. Kroll, 1405 W. Washington av., democrat, trustee Portage township.

John A. Beyers, Center township, republican, trustee Center township.
Robert S. McKnight, Penn township, republican, assessor Penn township.

DETROIT BONDS BRING PREMIUM

City Issues Totalling \$14,500,000 Sold to New York Banking Syndicate.

DETROIT, March 8.—City Controller Henry Steffens sold bonds totaling \$14,500,000 Tuesday to a New York syndicate of bankers, headed by the Kuhn-Loeb banking firm and including Hallgarten, Peabody & Co. The syndicate agreed to take all the bonds at par with accrued interest to date of delivery and pay a premium amounting to \$402,665.

There were three other bidders. A syndicate headed by the National City company, New York, agreed to pay a premium of \$24,895, with accrued interest to date of delivery. A syndicate headed by the Detroit Trust company offered to take all at par, with accrued interest, and pay a premium of \$57,565. Guy L. Ingle, city treasurer, was the other bidder. He offered to take all at par and accrued interest, or to take any part of the bond issue.

The issue consisted of \$5,000,000 at 5 per cent for public schools; \$1,000,000 public utility bonds for street railway purposes at 4-1/2 per cent; \$4,000,000 public sewer bonds at 5 per cent, and \$1,000,000 for a new police headquarters at 4-1/2 per cent.

Controller Steffens advertised for bids on these bonds several weeks ago, but rejected the proposals because the bond market was not good at the time and the premiums offered were much lower than was the case Tuesday.

The city's annual Tuesday night, on the recommendation of Mr. Steffens, authorized the sale of the bonds.

ALBANY, N. Y.—Former Gov. Martin H. Glynn Wednesday received a cablegram from Michael Collins, head of the Irish free state, announcing that representatives of the Irish free state are to be sent to America immediately to place before the American people reasons why the creation of the Irish free state is favored and why it should be established.

Stewart to Know Fate Today; Jury Returns Verdict

A sealed verdict in the case of James Stewart, charged with robbery and murder, was returned by the jury at 10:15 o'clock Wednesday night. Stewart will learn his fate at the reading of the verdict at the opening of court this morning.

The jury went out at 5:05 o'clock and absented themselves for more than five hours.

Stewart and George Clark, the state alleges, went to the Y. M. C. A. on the night of July 31, 1920, and held up George Rullison, the night clerk, securing \$12.50 in money. Clark, who is on parole from a Michigan institution, testified against Stewart for the state.

FITZSIMMONS HURT IN AUTO ACCIDENT

Benton Harbor Promoter, His Wife and Two Others Injured as Car is Ditched.

World was received last night that Floyd Fitzsimmons, Benton Harbor boxing promoter, well known in this city, his wife and two other men were slightly injured when the steering gear of Fitzsimmons' automobile broke, causing the car to be thrown into a ditch between Battle Creek and Marshall, Mich., last Monday night.

While full details of the accident could not be obtained, it was said that the other two men included a Benton Harbor attorney and a Michigan state senator, but their names could not be learned. The party was said to be motoring to Lansing to interview Gov. Grosbeck in regard to a boxing bout at Benton Harbor, the state senator recently having decided against the staging of a bout between Benny Leonard and Charlie White for the lightweight title at Benton Harbor on July 4.

The car, which was considerably damaged, was said to be worth \$10,000 and was the gift of Champion Jack Dempsey to Mrs. Fitzsimmons after his championship fight with Billy Miske which was staged by Fitzsimmons at Benton Harbor on Labor Day, 1920.

BOOTLEGGERS ORGANIZE TO KEEP THE PRICES UP

SPOKANE, Wash., March 8.—In defiance of the laws against combinations in restraint of trade, to say nothing of the Volstead act, bootleggers in Spokane have organized to boost the price of liquor, it was announced Tuesday at police headquarters.

At a meeting at the home of a prominent citizen, a price of \$8 to \$10 a gallon for Scotch and gin, with a special bargain rate of three dollars for \$25, was agreed upon. It was stated, American whisky and fancy liquors, it was explained, would come higher.

The police said they were helpless in the matter, since the members of the Associated Bootleggers of Spokane, as the organization termed itself, failed to take with them samples of their wares.

Begin Trial of Egyptian Students for Conspiracy

By Associated Press.
CAIRO, Egypt, March 8.—The trial by military court martial of six persons, mostly students, accused of conspiring to assassinate Premier Saad Pasha began Wednesday.

Minor demonstrations that have occurred for several days continued Wednesday when university students rushed through the streets with the apparent object of frightening shopkeepers into closing their shops. A crowd of inhabitants joined in throwing stones and smashing windows, but they dispersed before the police arrived.

Special to The News-Times.
MICHIGAN CITY, Ind., March 8.—The huge gates at the state prison here Wednesday closed behind a slim, sallow, 15-year-old youth wearing knee breeches, and they will never open to him again unless he is pardoned in years to come. He is John Mollick, convicted of murdering his foster-mother, Mrs. Robert Stolz, at their farm near Wanatah, Porter county, on Nov. 21, 1921. Mollick is the youngest life prisoner ever received at the Indiana prison.

The boy was found guilty of first degree murder a week ago at Valparaiso after one of the shortest murder trials in the history of the state. His trial lasted but three days and the jury convicted him after three hours' deliberation when the defense's insanity plea had been broken down by Valparaiso physicians who declared the lad sane.

The case was one of the most unusual ever tried in this state because of the circumstances surrounding it. An appeal by the defense for a new trial was recently granted by Judge Loring of the Porter county circuit court, but the granting of the motion did not provide for a stay of the prison sentence.

CLAMS CHRISTIAN PRINCIPLES ALONE CAN PREVENT WAR

Dr. Wade Delivers Lecture at "Family Night" Service at First M. E. Church.

"Only the establishment of true Christian principles in the heart and life of every last man in America and in the most distant mission land can safeguard the world against war," was the message delivered by Dr. R. J. Wade of Chicago, corresponding secretary of the Committee on Conservation and Advance of the Methodist Episcopal church, at the fourth of a series of family night services at the First Methodist Episcopal church last night.

"Human progress moves as the swing of some vast pendulum, each step forward reversing itself in some reaction," said Dr. Wade.

"Men who have studied history have learned to dread the backward swing without despair for they know that the forward step of the human race constantly grows longer and stronger. The Methodist century program marked one of these mighty advance movements among the Christian churches. During the period of industrial depression there has been some slight reaction but all the church denominations are now girding themselves for another advance that will mark larger results financially and spiritually than those obtained in any previous campaign."
